

USAID
FROM THE AMERICAN PEOPLE

Industry Day

An Information Session Regarding USAID's Sustainable Landscapes Co-creation and Partnership Opportunity

Event Details

Date: November 19, 2020
Time: 9:00 - 11:00 am EST

Who Should Join?

All organizations with interest in the two challenge themes described in USAID's Sustainable Landscapes Broad Agency Announcement Addendum, including those interested in submitting EOIs or participating in co-creation as resource partners.

Agenda

Welcome

Co-creation at USAID

Private Sector Engagement at USAID

World Economic Forum Presentation

Overview of the Sustainable Landscapes Broad Agency Announcement Goals

Q&A

Co-Creation Key Themes and Challenges

- How do we speed up and scale up profitable business models that secure sustainable, deforestation-free supply chains?
- How do we develop innovative strategies to scale up landscape restoration and conservation?
